LOG BOOK TRIAL
As per decision at the October General Meeting our club has now registered for our members to participate in the NSW RMS Log Book Trial (2 years) if they so wish. See the RMS web site for details on how to apply.

NOTE: Members who do not wish to join the Log Book Trial do nothing. Your vehicles are still registered under Historic registration; nothing changes.

If you choose to be part of the Log Book Trial then there are forms to be submitted to RMS. Your vehicle retains Historic Rego as is for club events with the addition of 60 days for maintenance and private use.

Under the trial there is no increase in costs other than normal CPI etc.

Some committee members will be attending an information session on the Log Book Trial mid-October, and Secretary Chris B and I will be attending the October half yearly Bush Council meeting.

Therefore by Club rego day and the November General Meeting we will have more information. I suggest those wishing to participate in the trial wait until their vehicle has been inspected and do the paper work change over all at once.

The feeling of the Club is that Log Books are here to stay. I agree and I think we can overcome issues it may present.

As at 8th Oct 2015 there were 698 clubs on the RMS Approved Clubs of NSW list of which 211 have registered for participation in the Log Book Trial. The registered number is growing daily.

CORRECTION OF PHONE NUMBER
Ian Holgate has noticed that his mobile phone number is incorrect on the Club Members List. It should be 0428 219 772

By shear coincidence, his home number has the same last 6 numbers:-)
Chev 4 Rally taken at the Junee Roundhouse on Tuesday 29th Sept.

17th CHEV 4 Tour Wagga Wagga, 27thSept – 1st Oct 2015

Twenty four, 4 cyl chevs from 1914 to 1928 took part in a most enjoyable week of veteran & Vintage motoring organised by Dave Perry and the C.H.E.V.S club. Our club supported the event with participation from our Chev 4 owners and assistance in running the event from David & Lorna Bredin.

Runs went to Temora (Rural & Aviation Museums), Junee (Roundhouse & Liquorice Factory), Coolamon (Up to Date Store & RSL Museum). Cultural time spent in Wagga City at Art Galleries, Kapooka Army Band and a visit to Brian Lynch’s private collection.

Much stirring and banter went on (seems to be common amongst the Chev creed!) plus a laid back atmosphere created from day 1 by Dave Perry, made this rally one of the best I have been on.

PRESENTATION AT THE NEXT GENERAL MEETING

Pamela Smith, teacher at Willans Hill School, will make a short presentation to the November General Meeting, explaining how our Club’s donation was used to facilitate communication between students, teachers and aides at the school. This is cutting edge practice gaining international attention. Members should find Pamela’s presentation very interesting.
Dr. Geezer's Clinic

An old geezer became very bored in retirement and decided to open a medical clinic. He put a sign up outside that said:

"Dr. Geezer's clinic. Get your treatment for $500; if not cured, get back $1,000."

Doctor Young, who was positive that this old geezer didn't know beans about medicine, thought this would be a great opportunity to get $1,000, so he went to Dr. Geezer's clinic.

Dr. Young: "Dr. Geezer, I have lost all taste in my mouth. Can you please help me?

Dr. Geezer: "Nurse, please bring medicine from box 22 and put 3 drops in Dr. Young's mouth.

Dr. Young: "Aaagh!! This is petrol!"

Dr. Geezer: "Congratulations! You've got your taste back. That will be $500.

Dr. Young gets annoyed and goes back after a couple of days figuring to recover his money.

Dr. Young: "I have lost my memory, I cannot remember anything."

Dr. Young: "Oh, no you don't, -- that is petrol!"

Dr. Geezer: "Congratulations! You've got your memory back. That will be $500."

Dr. Young (after having lost $1,000) leaves angrily and comes back after several more days.

Dr. Young: "My eyesight has become weak --- I can hardly see anything!!!"

Dr. Young: "Well, I don't have any medicine for that so, here's your $1,000 back." (giving him a $10 bill)

Dr. Young: "But this is only $10!

Dr. Geezer: "Congratulations! You got your vision back! That will be $500."

Moral of story -- Just because you're "Young", it doesn't mean that you can outsmart an "old Geezer".

BAKELITE (/berkəlæt/ BAY-kə-lyt, sometimes spelled Baekelite[3]), or polyoxybenzylmethylenglycolanhydride, is an early plastic. It was developed by Belgian-born chemist Leo Baekeland in New York in 1907.

One of the first plastics made from synthetic components, Bakelite was used for its electrical nonconductivity and heat-resistant properties in electrical insulators, radio and telephone casings, and such diverse products as kitchenware, jewelry, pipe stems, children's toys, and firearms. The "retro" appeal of old Bakelite products has made them collectible.[4]

Bakelite was designated a National Historic Chemical Landmark on November 9, 1993 by the American Chemical Society in recognition of its significance as the world's first synthetic plastic.[5]
POWER

The soft purr of the Packard motor hardly hints its vast reserve power. Yet a touch of the accelerator and the great car leaps forward with the eagerness of a living thing.

In its swift response to the driver's will lies the promise of superb and sustained performance. Mile after mile through the starts and stops of the crowded city, hour after hour on the long pull of the mountain grade, the Packard proves superior to all requirements. Packard power now reigns supreme.

Packard design—widely imitated but never equalled—has long been recognised as an outstanding combination of smartness, beauty and comfort. And Packard power—now unsurpassed in any motor car—offers matchless traffic agility, hill climbing ability and, when emergency demands it, speed.

Packard distinction—Packard power! A combination of qualities which has restored to many thousands of new owners their waning zest in motoring.

PACKARD

ASK THE MAN WHO OWNS ONE
She said she was approaching forty, and I couldn’t help wondering from which direction.

**APPLE & BLACKBERRY CRUMBLE**
**GLUTEN FREE**—served at the clubs last Progress Lunch

- 2 Granny Smith apples –peeled, cored & diced
- 2 cups frozen blackberries
- 2 tspns grated ginger
- 1 tblspn honey
- 75gms butter
- 1/4 cup gluten free plain flour
- 1 tspn cinnamon
- 1/2 cup Quinoa flakes
- 50gm Macadamia nuts, toasted
- 2 tblspns dark brown sugar

Preheat oven to 200 degrees Celsius fan forced.

Cook the apples and blackberries in a medium saucepan over a medium heat for 2 to 3 minutes and drain off excess liquid. Add the ginger and honey and continue cooking for 1 to 2 minutes while stirring to coat fruit. Remove from heat and transfer to an oven proof dish.

In a large bowl rub butter into the flour and cinnamon and stir until just combined. Add the quinoa, toasted macadamias and dark brown sugar, stir to combine.

Sprinkle the crumble mixture over the cooked fruit and bake for 20 minutes or until golden.

On September 17, the movie *Oddball* hit cinemas, based on the true story of the original Maremma dog, Oddball, and how a chicken farmer introduced the breed — renowned by farmers as a guardian dog — to protect the penguin colony on Warrnambool’s Middle Island. Previously, the Warrnambool City Council had used baiting, shooting and fumigation on the mainland to try to stop foxes, but in 2005 there were just four penguins remaining on the island. Since Oddball was introduced in 2006 — and subsequent Maremmas including current recruits Eudy (below right) and Tula (below left) — no penguins have been killed by foxes and the population has grown to 150, with an aim to build it to 500.

**GREAT FAMILY MOVIE!**
### MID WEEK RUN—Wed 16 September

The run was a nice drive out to Roseleigh Manor via Patterson's Road for afternoon tea. The girls out there set us up in a big dining room (forget the name of it) was very flash. After our cuppa Erin took us for a tour around the complex and gave a talk on the history and role of the place today.

We had 12 club members and 5 visitors, David & Lorna B -39 Chev, Rob L -36 Chrysler, Chris & Peter B -Morris, Mick B -48 215 Holden, Geoff & Robyn P, Bill & Hilda, Ray & Pam T in modern. Our visitors were Tom & Kath Manning (Pam's brother & sister in law) Bob & Di Smith (friends - 87Saab) and Hazel ( Mick Bs mother in law).

It was a very nice afternoon and I think everyone enjoyed it.

Did you know?
iCouncil
What is iCouncil?
iCouncil Public allows members of the general public to make use of iCouncil to interact with their local council.
The Report a Problem functionality, allows people to inform their council of a local issue, such as a pot hole, or missed rubbish bin by submitting a photo, a location and a corresponding message. The app then sends this information via email directly to the council.
How iCouncil works
iCouncil determines your current Council area using your smartphone’s GPS location and recognises your local Council. It then prompts for some information to be populated for an email that also incorporates a map, a geospatial reference and a photograph.

What’s On
Worth Their Weight in gold – Wagga Women in WWI.
Location: Museum of the Riverina
Botanic Gardens site
Lord Baden Powell Drive
When: Showing until Friday 4th December
Details: While they waited for news of loved ones fighting on distant battlefields, Wagga women gave soldiers comfort, tirelessly carried out fundraising and risked their lives nursing on foreign shores. Though unable to serve in the armed forces during World War I, the roles they played were instrumental to Allied victory.

I am looking forward to hearing from all the women in the club with you ideas and contributions.
