Mid week run ended up at the new coffee shop at Lake Village shopping centre. A nice afternoon coffee run

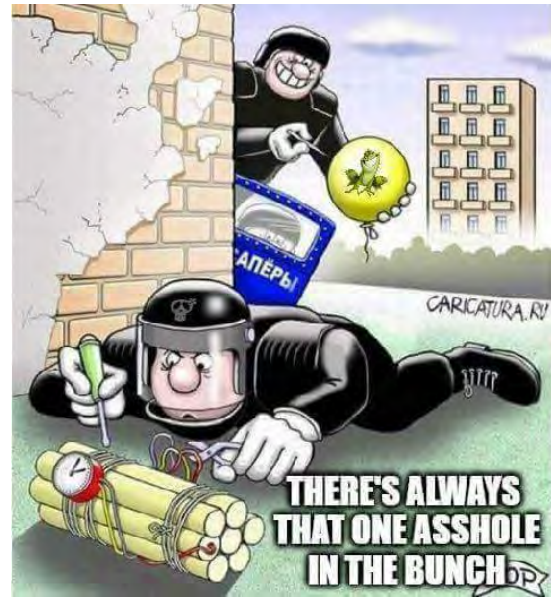

## Taken from the Bush Telegraph

The police patrol have signaled to the car in front to pull over to allow for an extra wide load which has just entered the freeway to pass safely. The car does not pull over, so the police rush up beside it to get the drivers attention.

They look..... No driver, welcome to the world of driverless cars.

Can you envisage a driverless Bathurst. Kind of takes away all the excitement of the race.

Q: What do you get if you cross a Beatle and an Australian dog?

A: A Dingo Starr

## **WAGGA WAGGA VETERAN AND VINTAGE MOTOR CLUB**

### ***“A MESSAGE TO ALL MEMBERS”***

Our Annual General Meeting was held on Friday 4<sup>th</sup> August, 2017 and I would like to congratulate and thank those members who have contributed in the past, they have done a superb job and should be praised for their efforts. A congratulations to those members who have taken on Committee roles once more.

There are still two (2) positions on the Committee that have not been filled i.e., ***President and Rally Director***. This is an opportunity for you to step forward and help shape the WWVVMC. If you are interested in helping out, please speak to the previous President and Rally Director about their roles. The Club needs to have an active Committee to continue the advancement of the Club, which would benefit all members, but to also deal with the business aspects associated with running a Club such as ours.

At the Annual General Meeting, members present were advised that nine (9) of our hard working and valued members will not be available to assist in the running of the June 2018 Rally.

Our Club (the Wagga Wagga Veteran and Vintage Motor Club Inc.) is the “Club of Excellence” when it comes to arranging and running a Rally. Many other motor clubs travel long distances to attend our Rally and this is all due to the hard work from our members, past and present.

To get some ideas on how the June 2018 Rally might be run and as previously mentioned, this is due to the shortage of members who will not be available to assist, I am inviting Members to a meeting on Tuesday 3<sup>rd</sup> October, 2017 7.30pm at the Club rooms. Hopefully, from this meeting the Committee can present some of these ideas at the monthly meeting on Friday 6<sup>th</sup> October, 2017 and a decision can be made. Remember, this is only for the 2018 June Rally.

*“Remember, Many hands make light work”.*

Happy Motoring

## AN ACT OF KINDNESS

Beside my lounge chair sits a small table with reading lamp. At the front of that table sits, amongst other treasures, a 40 year calendar and pen. The base of the calendar is made from huon pine, displaying beautiful colour and such fine growth rings that you can only just distinguish the many years of very slow growth. The carpentry is perfect, as too is the satin finish; not that I would have expected anything different.

The calendar and pen are special to me because they were made by a club member, especially for me, for no other reason than he wanted to. Whilst I thought he didn't need to go to that amount of trouble for me, he insisted on me providing my favourite timber and reminded me repeatedly over ensuing years until I produced the small piece of pine that he required. I had purchased that pine in 2003 when touring Tassie for my 50<sup>th</sup>.

Thankyou Geoff Petts, you are fondly remembered.

Scotch with two drops of water

A lady goes to the bar on a cruise ship and orders a Scotch with two drops of water. As the bartender gives her the drink she says,

'I'm on this cruise to celebrate my 80th birthday and it's today...'

The bartender says, 'Well, since it's your birthday, I'll buy you a drink.

In fact, this one is on me.'

As the woman finishes her drink, the woman to her right says, 'I would like to buy you a drink, too.'

The old woman says, 'Thank you. Bartender, I want a Scotch with two drops of water.'

'Coming up,' says the bartender

As she finishes that drink, the man to her left says, 'I would like to buy you one, too..'

The old woman says, 'Thank you. Bartender, I want another Scotch with two drops of water.'

'Coming right up,' the bartender says.

As he gives her the drink, he says, 'Ma'am, I'm dying of curiosity. Why the Scotch with only two drops of water?'

The old woman replies, 'Sonny, when you're my age, you've learned how to hold your liquor. Holding your water, however, is a whole other issue
